

Business Editorial Rates

The following applies to company pamphlets, brochures, proposals, reports, newsletters, etc, both hard copy and web-based:

Proofreading: \$25 per hour

This is typically the last step in completing the writing process. It is the final, non-comprehensive read-through to check for any minor, last minute changes that might need to be made before submitting final written product.

Copy Editing

Light: \$30 per hour

Medium/Heavy: \$40 per hour

Light copy editing is taking a closer look at accuracy, style and grammar and making corrections/adjustments as appropriate. Medium/heavy copy editing is taking a more in-depth look at the flow of the text and reworking the text as needed.

Content Editing: \$45 per hour

This process requires adding missing content, taking away content that is unnecessary or irrelevant, and rewriting or restructuring large sections of text.

Full Manuscripts (e.g. Company Policies Handbook) 100 pages or more: \$50 per hour

**Advertisements/Promotionals, both hard copy and web-based:
\$45 per hour**

***Note: Upon receiving your text, I will do an initial read-through to determine the editing that will be required. The exception is manuscripts over 100 pages; that is a flat rate.**
